E-TENDERING (SUPPLIER MANAGEMENT)

e-Tender or e-Procurement is the process where the companies or government organization fulfill their purchase requirement of goods or services or outsource a project or any work where a third-party supplier or contractor is required to engage for the same. It is a completely online, secure, and authentic process, where human intervention is less required, which prevents possible corruption, misuse of power, etc.

Supplier Registration

The screenshot shows the 'Supplier Registration' form in the VERP system. The form is titled 'ILICO SERVICES LTD.(VERP)' and is part of the 'User Interface' section. The user is logged in as 'pm@verp.in' (SIDDHARTHA DIKSHIT) and has 0 new messages. The form is divided into several sections: 'SupplierCategory', 'Company Details', 'WareHouse Details', 'Work Shop Details (If Any)', and 'Bank Details'. Each section contains various input fields, including text boxes, dropdown menus, and checkboxes. A 'Next' button is located at the bottom of the form, and a message below it reads 'Next Go To Profile 2 By Click On Profile-2 Tab / Next Button'.
